A Word From Our CEO, Derek O'Neill

Despite the huge impact that COVID had on all charities in 2020, I am pleased to say that Variety Ireland continued on an upward trajectory, with 2020/2021 proving to be a very exciting time for our charity!

During the year, we were able to continue our educational support for children and thanks to some wonderful corporate partners, even more children than ever benefitted from our iPads for Schools campaign. We are so grateful to all those who got involved with this campaign, and thanks to them, learning in both schools and at home became a little bit easier for thousands of children.

Throughout the year we continued to help fund countless specialised mobility trikes, and then in July 2021 we launched our Recycle Mobility programme, which will ensure that all these trikes will now be upcycled once a child grows out of it. At the helm of this new campaign was inspirational 9 year old Saoirse Ruane, who we announced as the first ever child Ambassador for Variety Ireland!

Our iPads for Schools and Recycle Mobility programmes both follow the ethos

of our Sustainability Policy, that we launched in September 2020. Under the remit of this policy, we endeavour to do all we can to carry out our work in the most environmentally sustainable way possible. By using upcycled devices in our iPads for Schools campaign and ensuring our Recycle Mobility trikes are later upcycled and reused, we are doing what we can to make the future in which our children live that bit brighter.

We also continued our partnership with the Miss Ireland team, and I would like to thank each and every one of the contestants for their incredible fundraising work throughout the year. Some even gave up their free time to show support for our National Makeup Free Day, as well as treating some very special children to their very own "Fantasy Ireland" fancy dress tea parties.

Our charity has continued to go from strength to strength and I believe that 2022 will be even brighter for us and we look forward to helping even more children throughout the island of Ireland in the future!

About Variety Ireland

Variety - the Children's Charity of Ireland (Variety Ireland) is part of Variety International, a global charity network, providing millions of children around the world with a better future. Variety delivers children equity, independence, social inclusion, mobility and self esteem by funding and delivering equipment and services for core programmes.

Variety Ireland's core programmes focus on mobility and equal access to education, which we endeavour to provide in the most sustainable way possible.

We have been helping children up to the age of 18, all across Ireland since 1951.

Who We Are

Variety – the Children's Charity of Ireland does not have any paid board members. It is run by a dedicated team of professional volunteers who donate all their time and services for free to oversee the day to day running of the charity. This ensures that all funds raised through donations and fundraising initiatives go directly to help children across the island of Ireland who rely on our help.

Our Values

Here at Variety Ireland we hold the same core values as outlined by Variety International. We believe in **TRUST**

Transformation: We strive to transform the lives of the children we serve. We strive to raise awareness and interest in what we do through education and influence.

Respect: We respect all people, cultures, and governing systems.

InclUsivity: We work to impact and improve children's access to everyday living, working professionally and collaboratively with our donors and supporters.

CompaSsion: Everything is driven by the desire to help children. It is at the centre of everything we do.

Transparency: Our leadership strives to clearly and effectively communicate with donors, supporters and the communities we serve.

Our Mission Statement

The main object for which the Charity is established is to benefit the community by providing direct help to children and young people throughout the 32 counties of Ireland up to their 19th birthday who are living with illness, disability or financial disadvantage.

The Charity will step in where statutory healthcare, support and funding ends to ensure that children have the support they need to reach their potential and thrive, regardless of their health, mobility, abilities and economic background.

Educational Support with iPads

Throughout the year we continued our educational support programme, by supplying upcycled iPads to help to children all across Ireland. Lockdown has had a detrimental effect on so many children's education, especially children who require additional support and help with learning. iPads were the ideal solution to many families home-schooling woes and Variety Ireland were more than happy to help wherever possible!

We were able to help many children such as Isobel, whose mum told us "Isobel uses the iPad as a communication device, as she is pre-verbal and it is also assisting us with home-schooling."

iPads for Schools Project

Variety Ireland recognise the essential duties that every Special Needs Assistant carries out on a daily basis, in helping children with learning difficulties.

By providing an upcycled iPad to every National School, we hope that we can help in some small way to make learning more accessible to some, as well as being more environmentally conscious.

In Spring 2021, we were able to supply an iPad to every National School in two counties. Thanks to Sean Mulryan and Ballymore properties, 95 schools in Co. Roscommon received an iPad, whilst 155 National Schools in Co. Mayo also received iPads thanks to businessman Tim O'Leary.

Providing Specialised Trikes

During the year, we were able to provide many children up and down the country with specialised trikes. These trikes can have such a positive impact on children of all ages. They are not only a fun way to get around, but can also offer many other vital physical and mental benefits too!

These trikes have proved to be so beneficial to children, who due to various disabilities, cannot cycle a regular bicycle.

The child can also experience a new found independence and sense of inclusion. They can now join in with their friends and family in many adventures and activities the great outdoors, which previously may have been unimaginable!

Funding Specialised Car Seats

Variety - the Children's Charity of Ireland like nothing more than to help a child and their family by providing something that others may take for granted.

Something as simply as a car seat, may seem like a everyday item, but when your child requires a specialised car seat, that can be a very costly requirement and one that is not provided by any government funding.

For someone like 6 year old Lucy, a new car seat meant she could now not only go on essential car journeys, but also have fun days out with her family – all whilst knowing that she was safe and secure!

National Makeup Free Challenge

In November 2020, Variety Ireland launched their first ever National Makeup Free Challenge on Ireland:AM on Virgin Media One.

The National Makeup Free Challenge is a nationwide initiative designed to help raise self-awareness and promote “Inner beauty” to people across Ireland in aid of Variety – the Children’s Charity of Ireland.

It encourages both men and women to go “makeup free”, whilst also challenging a friend to do the same in helping to raise funds which will go to providing special mobility and educational equipment to children who are sick, disadvantaged or have special needs.

Someone to Hold This Christmas Day

Variety Ireland called into Temple Street Children’s Hospital just before Christmas, to drop in Irish handmade knitted dolls and blankets.

These were donated by Carlow based arts & crafts store Woollygoods.com as part of Variety Ireland’s “Someone to Hold this Christmas Day” campaign.

We hope that by providing these knitted goods, that the many children who had to spend Christmas in Temple Street Hospital, would have someone to “Hold and talk to” whilst lying in their cot or hospital bed on Christmas Day.

Miss Ireland Fundraisers

In 2021, Variety Ireland were delighted to once again be chosen as the Miss Ireland 'Beauty with a Purpose' charity of choice partner. This means that all the finalists must raise funds and awareness for charities of their choice and Variety Ireland. We were overwhelmed by all the amazing ideas and fundraisers that took place during the year throughout the country.

As part of their Miss Ireland journey, many finalists took some very special children to their very own Fantasy Ireland Tea Party!

The children got to dress up as their favourite movie character and enjoy being treated like a real star for the day. They enjoyed a fun filled tea party in a special venue in their home county. Truly magical!!

Our First Ever Child Ambassador

2021 saw us welcome Saoirse Ruane as the first ever child Ambassador to Variety Ireland. Since being diagnosed with a life threatening tumour and losing her right leg, Saoirse continues to prove and act as an inspiration and a beacon of hope to lots of children and adults, not only here in Ireland but across the world.

Following her first appearance on the Late Late Toy Show in 2020 she inspired the first ever Toy Show Appeal on the Late Late Show. An amazing €6.6m euro was raised in 2020 alone through that appeal for various charities around Ireland!

Recycle Mobility Programme

In July 2021, we launched our Recycle Mobility Programme, which is a unique idea that focuses on promoting access to upcycled specially adapted trikes, for children who cannot use conventional bicycles. Not only does this initiative offer inclusion to children of different abilities, but as the trikes are pre-loved, it is also environmentally friendly!

These trikes have proved to be so beneficial to children, who due to various disabilities, cannot cycle a regular bicycle. Not only do these trikes offer so many physical benefits, but also offer great mental benefits too. The child can experience a new found independence and now also join in with their friends and family in the great outdoors, which previously may have been unimaginable!

As each trike is specially adapted to an individual child's needs, the cost for each trike can be very expensive. These trikes, until now, have not been covered by any government funding, therefore unobtainable for many families of children with special needs.

As these trikes are specially adapted for an each child, they cannot be used by other children, so therefore obsolete once the child outgrows it. With our Recycle Mobility Programme, once a child outgrows their trike, we take it back, upcycle it and then adapt it to another child's particular needs. This way, more children can benefit from these amazing trikes!

DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 30 September 2021

The directors are responsible for preparing the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the charity as at the financial year end date and of the net income or expenditure of the charity for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice: Accounting and Reporting by Charities;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the relevant financial reporting framework, identify those standards, and note the effect and the reasons for any material departure from those standards; and

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for ensuring that the charity keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the charity, enable at any time the assets, liabilities, financial position and net income or expenditure of the charity to be determined with reasonable accuracy, enable them to ensure that the financial statements and the Directors' Annual Report comply with Companies Act 2014 and enable the financial statements to be audited. In our opinion the financial statements:

- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", as applied in accordance with the provisions of the Companies Act 2014 and having regard to the Charities SORP; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 3 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the charity were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of The Heart of Variety (Ireland) Company Limited by Guarantee

Matters on which we are required to report by exception

Based on the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Annual Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not complied with by the company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the charity's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the charity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT

to the Members of The Heart of Variety (Ireland) Company Limited by Guarantee

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the charity's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the charity and the charity's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102".

The charity has applied the Charities SORP on a voluntary basis as its application is not a requirement of the current regulations for charities registered in the Republic of Ireland. As permitted by the Companies Act 2014, the charity has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats, as outlined in the Companies Act 2014, are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

Statement of compliance

The financial statements of the charity for the financial year ended 30 September 2021 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

Fund accounting

The following are the categories of funds maintained:

Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the charity.

Unrestricted funds

Unrestricted funds consist of General and Designated funds.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the charity.

- Designated funds comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund.

Income

Income is recognised by inclusion in the Statement of Financial Activities only when the charity is legally entitled to the income, performance conditions attached to the item(s) of income have been met, the amounts involved can be measured with sufficient reliability and it is probable that the income will be received by the charity.

Income from charitable activities

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the charity. Income from government and other co-funders is recognised when the charity is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the charity is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the charity is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.

-Time based conditions: whereby the charity is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the charity recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the charity is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

Expenditure

Expenditure is analysed between costs of charitable activities and raising funds. The costs of each activity are separately accumulated and disclosed, and analysed according to their major components. Expenditure is recognised when a legal or constructive obligation exists as a result of a past event, a transfer of economic benefits is required in settlement and the amount of the obligation can be reliably measured. Support costs are those functions that assist the work of the charity but cannot be attributed to one activity. Such costs are allocated to activities in proportion to staff time spent or other suitable measure for each activity.

Governance costs

Governance costs are the costs associated with the stewardship arrangements of the charity. They comprise costs arising from the constitutional and obligatory arrangements, as well as the costs associated with the strategic management of the company's activities. Typical costs would be audit and legal fees, direct salary and overhead costs incurred in the strategic as opposed to day to day management of the charity.

Cash and cash equivalents

Cash consists of cash on hand and demand deposits. Cash equivalents consist of short term highly liquid investments that are readily convertible to known amounts of cash that are subject to an insignificant risk of change in value.

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the charity from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

Taxation

No current or deferred taxation arises as the charity has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.

The company is exempt from corporation tax due to its charitable status in Ireland (Revenue Commissioners Registration No. CHY 5739.)
